

Beyond Doorways Healing Session

A powerful 30 minute session that works with some of the fundamental Transference Healing[®] frequencies. This energetic healing session channels colour, sound, frequency and light into your etheric/physical body and consciousness. It helps you to maintain balance; and align with the electromagnetic grid of the planet and Universe, supporting you to maintain wellness and raise your frequency. This healing offers you insight into your personal and spiritual journey, bringing clarity and enlightenment.
