1.0 Introduction

Minimum Spend vs. Minimum Quantity

To make wholesale purchases of Transference Healing products, Teacher Graduates have two options: Minimum Spend or Minimum Quantity.

Minimum Spend

If the *wholesale* value of your order is AUD \$750 or more, you can mix-and-match products in any quantity or combination. Minimum quantities do not apply. 'Retail Only' products *can* be included as a part of this spend (see page 10).

Exclusions: Workshop and Training kits cannot be included as part of this spend.

Example:

Product Category	Product	Purchase Quantity	Price per unit	Total
Publications	Beyond Doorways Book	10	39	390
Sprays	Lady Nada Purification Mist	5	39	195
Retail Only	Pentagram Gridding Mat	1	200	200
Jewellery	Master Christ Pendant (Onyx)	1	361	361
			Total	\$1,146

Minimum Quantity

If the *wholesale* value of your order is less than AUD \$750, minimum quantities apply. The minimum quantity for most of our products is 3 (example: 3 x Cosmic Christ Purification Mist, 3 x Merlin Template, 3 x Quan Yin Sacred Oil). In the case of Publications, Jewellery and some Templates, the minimum quantity is 5, but you can mix-and-match products in that category (example: 2 x Animal Magic, 2 x Beyond Doorways, 1 x Child of Light Mediations & Affirmations).

Example 1:

Product Category	Minimum Quantity	Product	Purchase Quantity	Price per unit	Total

Templates	3	Enoch Template	4	60	240
Tools	3	Star of David Gridding Kit	3	38	114

Additional Discounts

Graduates who spend over AUD \$2,100 in one *wholesale* order will receive an additional 10% discount on the wholesale price. 'Retail Only' products *can* be included as a part of this spend.

Exclusions: Workshop and Training kits cannot be included as part of this spend. No further discount will be applied to essences and gridding mats.

Recommended Retail Price

From the 1st of February 2022, we will no longer provide retail prices for Transference Healing products in foreign currencies.

Transference Healing has detailed our retail prices in Australian dollars. It is recommended that you sell Transference Healing products at the same price, or up to 25% more. For international Teachers, please convert our retail price to your local currency, and apply that price to your Transference Healing products (or increase it by up to 25%). The option to increase your retail price by up to 25% is considered to cover freight costs and/or increase your profit margin.

For our international Teacher Graduates, it is our recommendation that you choose a retail price that allows for small fluctuations in currency exchange rates. It is recommended that you review these exchange rates once every 12 months, and make changes to your retail prices accordingly.

We recommend using [xe.com](https://www.xe.com) to determine currency exchange rates.

Example:

As of the 1st of February 2022, our retail price for the Cosmic Christ Purification Mist is \$59.

If you are an Australian Teacher Graduate, it is recommended that your retail price be anywhere between \$59 and \$73.75 (59 x 1.25).

At the time this document was written, \$59 AUD is equivalent to £31.26 GBP. If you are a Teacher Graduate located in England, your recommended retail price can be anywhere between £31.26 and £39.08 (31.26 x 1.25).

Credit Policy

If you cancel your enrolment in a workshop, training or Mystery School, you will receive a credit with Transference Healing. Credits may be applied to Transference Healing products, and enrolments in any workshop or training offered by Alexis Cartwright (excluding Trance Channel sessions, the Academy of Learning & the Mentorship Program). Credit is redeemable for 24 months. Credit cannot be applied to postage and handling fees.
